

UPDATES ON BORDER MEASURES FOR TRAVELLERS FROM NEW SOUTH WALES AND VICTORIA STATE, AUSTRALIA

24TH JUN 2021

The Multi-Ministry Taskforce has been closely monitoring the global COVID-19 situation. We will tighten our border measures for travellers from New South Wales, Australia, given the increase in the number of COVID-19 cases there. As the situation in Victoria State, Australia has improved, we will allow travellers from Victoria State, Australia to undergo a COVID-19 polymerase chain reaction (PCR) test upon arrival, and to go about their activities in Singapore if the PCR test result is negative.

2. We had earlier announced that travellers from Australia (excluding Victoria State) would be allowed to undergo a COVID-19 PCR test upon arrival, and if the PCR test result is negative, they will be allowed to go about their activities in Singapore, without a need to serve a Stay-Home Notice (SHN).
